Don't get too excited about this amazing opportunity until you have prayerfully considered this trip and are willing to make the necessary sacrifices both before and during the trip to make this trip a wonderful experience for yourself and others involved.

Please answer the following questions thoughtfully and truthfully.

Who is Jesus Christ *to you*?

What, *to you*, is the purpose of a mission trip?

What do you hope to see happen on this mission trip **in your own life**?

Circle any of the following that would keep you from going on the trip or keep you from having a good attitude on the trip?

- Taking luke-warm showers
- Getting sweaty
- Taking a week off of work
- Not seeing your mom for 2 weeks
- Paying for part of the trip from your own funds
- Not having your closest friends on the trip with you (if they don't come)
- Not getting enough sleep
- Not wearing makeup

- Not having your iPod with you

Yes / No Will you agree to continue to attend Third Place/3D and grow spiritually in accountability with other Christians around you?

Yes / No Will you agree to seek to grow in your own faith through regular Bible study, prayer, confession of sin and sharing your faith with others?

What is your current plan for personal spiritual growth (prayer, bible study, confession, sharing your faith)? Comment on your current practice of all four.

Ideally, a mission trip would involve students who are already actively seeking opportunities to serve right here at home. In what ways have you been involved in service/ministry at right here in Lake County?

Have you ever participated in a previous mission experience? If so, which trip(s)? What did you like about it? Dislike?

Yes / No Will you agree to respect the authority and decisions of the team leaders?

Yes / No Will you agree to have the time of your life and serve Jesus with all your heart and strength?
